Dear Sir:

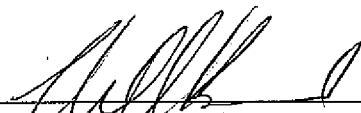

In the Decision on Request mailed **December 6, 2006**, the PTO vacated the Notification of Abandonment, and dismissed the request for status under 37 CFR 1.42 without prejudice. The request for status was dismissed because the declaration did not state the citizenship, former residency and former mailing address for the deceased inventor as required by 37 CFR 1.497. Enclosed herewith is a revised Declaration of Elizabeth Mix, the executor of the estate of Aric Menon, the deceased inventor. This revised declaration clearly states the citizenship, former residence address and former mailing address of Aric Menon, and is now compliant with 37 CFR 1.497.
